# MEMORANDUM

*Chief*, Division of Communications and Records  
Department of State

Subject : CIA Middle Eastern Radio Net

1. In accordance with the survey made by our representative, Chief of the Middle Eastern Radio Net, which he has more or less completely coordinated with [REDACTED] in the area, we suggest the following ceiling quotas of monthly traffic: 25X1

25X1A

we would want to know whether this was a result of a purely temporary emergency or whether a false estimate of [ ] traffic had been made. In the latter case, it would be necessary for us to decide whether or not our facilities were adequate to handle the load.

3. It is unfortunate that we cannot guarantee our ability

to handle these quotas. Shortage of personnel may necessitate our cutting them in one of two ways: (a), the elimination of stations altogether (note that [ ] is already eliminated), or (b), the reduction of traffic due to base station personnel shortages or the non-availability of personnel for the automatic equipment.

The quotas, however, will represent the traffic for which we will attempt to staff the net.
